

Welcome to Southside Virginia!

First State Bank is one of Danville's oldest and established community banks. First State Bank has provided exceptional banking services in Southside Virginia and North Carolina since 1919. We are locally-owned and operated and believe our customers are best served that way.

First State Bank offers personal, business and remote deposit banking services which eliminates the need to leave your home or office. Banking is a choice and we believe we offer the best choice in Southside, Virginia.
